NAZARENES PLAN RITES BY COLLEGE

Representatives of Pasadena College will be present Sunday evening worship services at the Torrance Church of the Nazarenes.

Musical numbers will be presented by a ladies' trio composed of Dorothy Matheny, Marlene Webb and Jeanie Williamson, and Dr. Henry A. Ernst, professor of history, will speak. The appearance of the group is in connection with the endowment and student recruitment program of the college, one of seven Nazarene schools in the United States.

Groups such as the one to visit here Sunday travel from the college each week-end, covering the areas of Southern and Northern California and sections of Arizona.

75-Voice Chorale Plans First Concert Sunday

"Today's Church Music" is the theme of the chorale service to be presented by 75 voices of the recently-organized South Bay Chorale at the First Baptist Church Sunday at 4 p.m.

Assisting the chorale as guest artist will be the Lawndale baritone, Clinton Clark. Together with the musical portion of the service, the director of the chorale, Vance Hayes, will give a short talk on "The Musical Heritage of the American Church," and the Rev. Arthur T. Organized just two months ago under the sponsorship of the Church Federation of Los Angeles, the South Bay Chorale will be making its initial public appearance in this service. God's Power Named Topic For Sunday

The power of God and His abundant goodness is expounded in the Sunday Lesson-Sermon on "Substance" in all Christian Science churches.

"God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work," reads the Golden Text from II Corinthians (9:8).

In Luke's Gospel (12:15, 29-32) Jesus counsels, "A man's life consisteth not in the abundance of the things which he possesseth. . . . And seek not ye what ye shall eat, or what ye shall drink. . . . For . . . your Father knoweth that ye have need of these things. But rather seek ye the kingdom of God; and all these things shall be added unto you . . . for it is your Father's good pleasure to give you the kingdom."

"Christianity causes men to turn naturally from matter to Spirit, as the flower turns from darkness to light," Mary Baker Eddy says in "Science and Health with Key to the Scriptures." She further declares, "The testimony of the corporate senses cannot inform us what is real and what is delusive, but the revelations of Christian Science unlock the treasures of Truth." (pp. 458, 79).
